What a Little Faith Did FOR MRS. ROCKWELL.

"I was a great sufferer from female weakness and had no strength. It was impossible for me to attend to my household duties. I had tried everything and many doctors, but found no relief."

"My sister advised me to try Lydia E. Pinkham's Vegetable Compound, which I did; before using all of one bottle I felt better. I kept on with it and to my great surprise I am cured. All who suffer from female complaints should give it a trial."—Mrs. ROCKWELL, 1209 S. DIVISION ST., GRAND RAPIDS, MICH.

From a Grateful Newark Woman.

"When I wrote to you I was very sick, had not been well for two years, the doctors did not seem to help me, and one said I could not live three months. I had womb trouble, falling, ulcers, kidney and bladder trouble. There seemed to be such a drawing and burning pain in my bowels that I could not rest anywhere. After using Lydia E. Pinkham's Vegetable Compound for a few days, I felt much better, and after your advice, I feel well again and stronger than ever. My bowels feel as if they had been made over new. With many thanks for your help, I remain, L. G., 74 4th ST., NEWARK, N. J."

CASTE IN THE SCHOOLS.

For The Chimes:

[Mr. Editor, for the attention of the enclosed article, I alone am responsible. For the sentiment our Lord is responsible. Your readers will judge—J. S. F.]

Caste, the spirit and practice that consigns meritorious persons to different degrees of inferiority, is a social evil more incident of color is wrong—a crime against society and a sin against God. Caste is a social evil, because it is a strong incentive to virtuous conduct and purity and well-being of society; to the neglect of which it treats his image with disrespect.

Race education in this country, fostered by the church, church arrangements and State legislation, fosters, stereotypes this caste spirit and practice. This spirit and practice is fundamentally wrong, contrary to the spirit of true Republicanism, true patriotism, true philanthropy, true Christianity, "Love thy neighbor thyself do unto men as ye would they do unto you."

Around this caste is a feature of barbarism. At home it is a relic of dehuman slavery. It is time Christians had this relic of barbarism.

We repeat this caste fundamentally radically wrong, and demand for its removal, measures that are racial and all pervasive. The schoolroom is the place of reform. In this sentiment and laudable are formed in youth with govern in future life, thus making society. The practical and radical renovation lies in co education of the colored race. In future life, thus making society. The practical and radical renovation lies in co education of the colored race. In future life, thus making society.

OF LEXINGTON, KY.

\$224,450.70 Paid up in Living Benefits.
\$110,000.00 RESERVE AND SURPLUS.

The plan of the Southern Mutual Investment Company is the reverse of the plan of the other life insurance companies. It is not a life insurance company, but a company that invests in real estate and other profitable investments. Its plan is to accumulate a large fund of money, and then to distribute it in the form of living benefits to its policyholders. This plan is the only one that guarantees a return of fifty per cent. on your outlay. We guarantee VULCAN REPAIRS to COST LESS than any other plan repairs. While we refuse to handle a low quality of goods our prices will bear comparison with any house reputed to be very cheap.

a good profit when you can buy direct from a manufacturer and jobber at wholesale prices? We manufacture everything in the paint line. We buy in large quantities in order to get jobbers' prices, thereby enabling us to sell you for less money than those who buy in small quantities without any practical experience in the Paint Business. Our stock is the largest this side of the large cities. With more than 30 years of actual practical experience in the Paint and Wall Paper Business, we believe ourselves to be qualified to sell you better goods at less money than any firm this side of the large cities.
